In Ranip Ward and West Zone, boys under 17 won the first position in the tug of war.

## **EDUCATIONAL TOURS & FIELD TRIPS**

Nothing beats an exciting hand-on experience to deepen learning. The magic of a field trip isn't just the subject. It's the break in routine and adventure that opens up children's minds to new things. Educational tours and field trips allow children to get away from their daily routines and learn something new. It is all about having learning experiences that inspire.

The Pre-primary section visited Reliance Mall, Shahibaug, Gandhi Ashram, Kankaria Zoo & Traffic Park. Through these visits the students learnt the value of the nature around us and also got trained to value it in real life.

The primary section has visited Parle-G, Sundarvan, Gandhi Ashram, Amul Dairy and ISRO for the educational trips when they got the experience of practical knowledge.

The educational field trips done by secondary and higher sections were My FM 94.3, Amul Dairy, ISRO, and Ravi Shankar Raval Kala Bhavan: The Biggest Wild Life Photography and Art Exhibition by 45 Elite Wild Life Enthusiasts.

A one-day picnic was organized for pre-primary section and class 1 at Shanti Suman Resort near Sanand, for classes 2 to 8 at Camp Dilly near Anand, the students explored various activities, including adventures, games, and fun dance, which they enjoyed to the fullest as it was a break from their daily school routine.

An educational trip was conducted for classes VII-12 to Goa. This educational trip beyond the walls of their classroom helped develop their inquiry into the importance of rich heritage through the wonderful archive collected and maintained in the museum. It was a great platform for the students to learn teamwork, time management, independence, leadership skills, effective learning from real-world experience, and communication skills among themselves.

## **ENRICHMENT PROGRAMMES FOR TEACHERS AND STUDENTS.**

Enrichment activities are not only for student, but also for teachers plays crucial role. For the holistic development of the child and upliftment of teachers' knowledge needed to be brushed-up on a regular basis.

Throughout the academic year, various seminars, workshops, and orientation programmes were held for both teachers and students, with the goal of improving and effectively implementing innovative ideas in teaching and learning practices while also pushing students beyond their current level of learning.

- Creative teaching tools by Ms. Sharmistha Parmar
- Counselling Workshop
- Developing interactive and activity-based Classroom
- Project Drum Circle
- Teaching Techniques on LSRW & phonetics

- Kathya Sanskriti celebrating story-telling heritage – The Gijubhai way
- Aligning the foundational learning environment to the NCF – 2022 for skill and understanding.
- Classroom management and creating safe connections that foster student engagement

We have organized a career counselling session for the students of classes IX–XII. Workshops on the topics Etiquette, and good manners for classes 6 to 8 and effective time management for classes 9 to 12 were organized.

The two-day workshop on ACP (Awakened Citizen Program) for teachers was conducted in our school in the month of April. From all over Gujarat, 51 schools have participated in the workshop. The Awakened Citizen Program is a three year graded value education program for students of upper primary and Secondary level is being run in collaboration with Ramkrishna Mission. This year, we have started the ACP programme for classes 6 to 8 to develop physical and emotional aspects, teach manners and develop a sense of brotherhood, in still a spirit of patriotism, and develop religious tolerance in students.

### **CO CURRICULAR ACTIVITIES**

Holistic development essentially means intellectual, physical, emotional, and social development, which can be achieved only through proper education. Therefore, education plays a fundamental role in holistic development. Co-curricular activities help develop students' holistic development and help them achieve 21st-century skills. As a result, the value of extracurricular activities during school is enormous.

From pre-primary to higher secondary sessions, a variety of co-curricular activities were held, including Hindi Diwas, English Enigma Day, Science Week Eureka 2022, Social Science Week etc. Through different club activities the students have been given the exposure of debate, public speaking, Reading, Theatre etc.

### **EVENTS & CELEBRATIONS**

Festivals & Celebrations are an integral part of the school curriculum, so that the students can be given the knowledge & exposure of our culture, Navratri, Diwali, Independence Day, Rakshabandhan, Ganesh Chaturthi, Janmasthami, Christmas etc are the events & festivals what the students and teachers celebrated with joy and happiness.

Me and My super hero -cooking without fire competition was organized for Pre primary tiny tots along with their fathers to develop and strengthen their bond as well as introducing them to a life skill.

## **NEW VENTURES**

That is the beauty of a starting line, until you begin a new venture, you never know what awaits you. Atmiya Vidya Niketan has completed its 5 year of excellence on 11<sup>th</sup> June 2022 and growing each year keeps all of us motivated and focussed to facilitate our students and transform them in a better way.

New innovative ventures we have added in our curriculum this session are:

### **KSHITIJ**

The annual prize-giving ceremony. The school honoured all its achievers for having attained a sterling record both in the scholastic and co-scholastic domains. It wasn't only academic excellence that was appreciated but also categories such as all-rounder, 100% attendance, and co-curricular excellence. Special care was taken to ensure that deserving students from each section of every class were honoured. Teachers who had admirable performance during academic sessions were motivated to continue their best work by giving them certificates and trophies.

### **BEST CLASS AWARD**

The "Best Class Award" competition for all the classes. The classes were judged based on various criteria: 100% attendance, discipline, neatness, wellness, conversation, sports, assembly conduct, and maximum participation in activities. Class teachers of the best classes were felicitated with trophies and words of appreciation.

### **SCHOLASTIC BOOK FAIR**

To enhance knowledge and thinking ability and to inculcate reading habits among our students, we organised a scholastic book fair on the school campus. The fair displayed a wide range of books for the students as well as for the teachers.

### **NEWS MAGAZINE – BLOSSOM**

Our first School magazine “**BLOSSOM**” has been launched in this session.
